

Mr. Farmer

We will begin to receive Turkeys on
THURSDAY, NOVEMBER 8th.

at our place of business at East Main Street
and L. & N. R. R. Crossing.

On account of the congestion of traffic on all railroads besides more delays in forwarding freight than ever before known, it is positively necessary on the part of the Farmers to sell their Fat Turkeys early, so we can get them to the market at the usual time.

Sell your FAT TURKEYS for the Thanksgiving market and hold your poor, thin ones and fatten them for the Christmas market. Remember we will begin buying on the 8th of November. This is earlier than usual, but we will have to have them earlier than usual this year. See us or call Phone 132 for the highest prices before selling to anyone.

On Feeding Turkeys

When you sell your turkeys and they do not weigh what you think they should, the question will be asked, Did you feed well?

Turkeys running at large and left to feed on what they can pick up do not weigh like turkeys fed regularly, just as you feed your hogs and cattle.

Most farmers when they bring their turkeys to market, will say: "My turkeys should be fat." They have run in the hog pen and corn field all fall. But if you have not fed them regularly, they will not weigh satisfactorily.

Killers want fat turkeys and we will be in the market for good fat turkeys, paying highest market prices. Pens at Wides' old stand, corner East Main and Orchard streets.

GIFTS TO SAILOR BOYS.

Mothers, sisters and sweethearts who intend to play Santa Claus to Uncle Sam's sailor lads are hereby advised that owing to the vast volume of matter that will be handled this year several rules have been established. Observance of them will insure the sailor receiving his gift on Christmas morning.

All gifts must be mailed not later than November 15.

Every parcel must bear the legend "Christmas mail" in a conspicuous place and must be so packed and wrapped as to admit of easy inspection by postmasters.

Parcels for men with the Atlantic fleet or any vessel with the European waters should be addressed: "U. S. S. (name of vessel) care postmaster, New York, N. Y." For men in the Pacific fleet: "U. S. S. —, Pacific fleet, via Francisco, Cal." And for men in the Asiatic fleet: "U. S. S. —, Asiatic station, care postmaster, San Francisco."
